SOFITEL MARRAKECH PALAIS IMPERIAL

Marrakech - Morocco

5* / Bed & Breakfast

Moorish magnificence melts to French indulgence in this 5-star luxury Marrakech hotel.

Set in lush fountained gardens of fragrant herbs, bougainvilleas and a palm-ringed pool, the palace is impressive in its majesty. Marble columns soar to sculpted ceilings, traditional zellige tiles and the deep reds and browns of oriental tapestries induce a sense of atmosphere.

The scent of orange blossom fills the air, mingled with the sweet mint tea you are served on arrival: a taste of traditional Moroccan "marhaba." We extend that warm welcome to children, too, in our Kids Suite with its cultural and sporting activities.

The entire Marrakech resort breathes relaxation and refinement, from outdoor sofas and loungers round the pool to sumptuous rooms and suites, some with panoramic views to the snow-capped Atlas Mountains... Wood carvings, paintings and sculptures by Moroccan artists pose in gently curving, light interiors. Hear the distant cries of the Medina... but relax: in these lush gardens, all is calm.
